If you are reproducing or printing this template from an electronic file, use the
following guidelines:

1. Print settings: Paper = 11" x 17" or A3, Layout = Portrait, Scale = Tile
   Large Pages, Auto-Rotate and Center = Off.

2. Print the template. It will print on 2 pages.

3. Measure the reference square with a ruler and adjust your reproduction setting (%)
   as needed so that the square measures 2" x 2" or 50.8 x 50.8 mm.

4. Align the pages so that the solid plus sign is properly aligned without gaps.
   Tape the pages together.

5. Measure the horizontal distance lines (above) to confirm that the paper is taped
   to the correct width.
